Additional Lyrics

2. I had a friend who shaved his head, put his Doctor Martins on
And drew such wondrous pictures in the apartment where he lived.
He praised my creativity, though he spoke sarcastically.
Oh, the conversations there in the apartment where he lived. *(To Interlude)*

3. I had a friend that took a belt, took a belt and hung himself.
Hung himself in the doorway of the apartment where he lived.
Rock, she thought him spiteful; Ler, he thought him pitiful;
Me, I've never been back to the apartment where he lived. *(To Interlude)*

Additional Lyrics

2. When I need relief, I spell it "THC."
Perhaps you may know vaguely what I mean.
I sit back and smoke away huge chunks of memory.
As I slowly inflict upon myself a full labotomy.
Call it pointless, pointless. *(To Interlude I)*

3. Barbecues, tea kettles, gobs of axle grease.
There comes a time for every man to sail the seas of cheese.
Now life's a bowl of bagel dogs, but there are unpleasantries:
Cold toilet seats, dentist chairs and trips to DMV.
Call it pointless, pointless. *(To Interlude II)*

4. I've been to hell. I spell it, I spell it "DMV."
Anyone that's been there knows precisely what I mean.
I've stood in line and waited near an hour and fifteen.
And if I had my druthers, I'd screw that chimpanzee.
Call it pointless, *etc.*

Additional Lyrics

Verse:

2. Scratched myself a bit,
Poured me out a bowl-a Corn Chex.
Closest thing I could find to apple pie.
Lingerin' taste of toothpaste
Made the milk go down a bit funny,
But you know, them Chex, they do satisfy.
Oh yeah, *etc.*

Bridge:

2. Mm, to taste the taste.
It's a tease that never would subside.
The taste is strong,
But soured by my learned eyes.
I said, if a woodchuck could chuck wood,
He'd get down on his knees to pray.
This little snappy boy might
See the light this Ground Hog's Day. *(To Guitar solo)*

Additional Lyrics

2. My name is Mud, but call me Alowishus Devadander Abercrombie.
That's long for Mud, so I've been told.
Told that by this sonsabitch
That lies before me bloated, blue and cold.
I've got my pride. I drink my wine.
I'd drink only the finest,
'Cept I haven't earned a dime in several months.
Or were it years?
The breath on that fat bastard could bring any man to tears.
We had our words, a common spat,
So I kissed him upside the cranium with an aluminum baseball bat.
My name is Mud. *(To Chorus)*
